#### McNeas Land Sold.

Cynthiana Democrat: Eals & Peter son sold to Dille Craig for the A J Mc Nees heirs, their farm of 267 acres, near Berry, price \$22,000.

#### A Boss Gardener.

Mr A T Anderson, the best gardener in Central Kentucky, has our thanks for a sack of the largest Irish potatoes grown in this section.

#### Thanksgiving Services.

The Thanksgiving services will be held in the Methodist church this year Bro Brown preaching the sermon. The services will be held at 10:30 a. m. 2t

#### The Game.

The game of football between Richmond and Lancaster was the best ever witnessed in this city. After a hot fight, the game was called on account of darkness, neither side having been able to score. The Lancaster lads play at Richmond tomorrow.

#### To Town Taxpayers.

I am forced to advertise the property for sale of all those who have not paid town taxes by the 20th of this month. This is last notice, so come forward at once and save the cost you will have to pay in case you do not settle by the 20th. J A Beazley.

#### Good Entertainment Coming.

The Ariel Quartette, of Chicago, will appear at the Methodist church next Friday night, the 22nd. They are accompanied by Prof Combs, a reader of great reputation. The entertainment is a splendid one, and the people should attend. Admission 25c, children 15c. Remember the date.

#### Important Notice.

Unless copy is brought to this office on Monday, we cannot set changes for display ads. The days are so short that we can not see to set type until near eight o'clock in morning, then we are without light by four in afternoon. If you want our hands to return and work on your ads after supper, you must pay the additional cost thereof.

#### Improving Service.

Mr Alex Walker, owner of the electric light plant, is doing all in his power to give the people good service. He has ordered new and larger wire for the streets, including an immense feed wire to run from the plant to the public square, where the wires divert to the different streets. Lancaster has the lowest rates of any town in central Kentucky, and when Mr Walker completes the improvements now in course, we will have excellent service.

#### Shake, Maj Lillard!

The Record congratulates its good friend, Major E W Lillard upon his election as representative of Boyle county in the next General Assembly. While one of the best and most successful business men in the state, Maj Lillard has devoted much time to politics and is well up on the needs of the state today. He can be counted upon to do what he honestly believes to be right, and the good people of our neighboring county will never have cause to regret his election.

#### Isn't This Fine?

Some idea of the complete manner in which lawlessness has been stamped out of Lancaster may be had from the fact that account of Police Judge Armstrong for fees for services in the past month was less than one dollar. Think of such a change from the old-time accounts of from \$25 to \$75, each month for maintaining the court! The work house has been empty for more than two months. This shows what good officers can do, and speaks volumes, for all know the terrible state of affairs not more than a thousand years ago.

#### Gov Willson Inauguration.

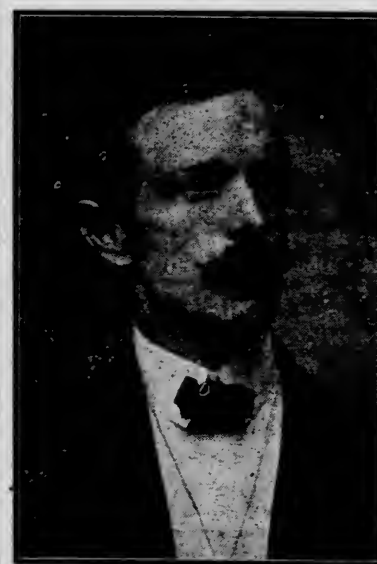

Conflicting dates have been in the newspapers for the inauguration of Governor Willson. The correct date is Tuesday, December 10th, which is the "fifth Tuesday after his election," and fixed in the State Constitution. The plans already set on foot by the Frankfort Business Men's Club provide for an elaborate parade and day ceremonies and an inaugural ball at night. The old ballroom at the Capitol Hotel has been cut up into rooms, and the ball will be held in the Coliseum Skating Rink on the South Side.

#### The Maccabees Thriving.

Mr M F Elkin, who is one of the officers in the Grand Lodge, Knights of the Maccabees, was here last week and made this office a pleasure call "Mike," as everyone calls him, is widely known and greatly liked by all. This is his old home, and he was warmly received. By the way, he tells us the order named above is growing rapidly, and now has five million dollars in its treasury with which to pay death claims. By a recent ruling, a person can make application for insurance and membership and the only cost is one dollar which goes to the physician making the examination. The application fee has been abolished. Now that only the dollar is to be paid, many men will take advantage of the opportunity to get absolutely safe insurance at the very cheapest rates. The Lancaster lodge is one of the largest in this section, and those carrying insurance therein would not part with it under any consideration. Many policies have been paid in Lancaster, and there has never been the slightest delay or contention about one.

#### MR. PRICE'S GOOD WORK.

Our neighboring county of Boyle seems to be the only one in the state which came up smiling with an increased Democratic majority after the Republican landslide of Tuesday, and the credit is largely due to one of Garrard's native sons, Hon. Wm. Jennings Price who was Democratic Campaign Chairman there. Boyle is known to be a very close county, in fact to be Republican by poll, but on Tuesday it gave

Hager the lead by 216, being the largest majority given any candidate for Governor in forty years, and, in addition, usually heretofore going Republican in state and national races. Gov. Bradley carried it over Hardin by 157. The result is all the more remarkable in view of the fact that McCreary carried the county in the Democratic primary last Fall by about 400, and Tuesday's returns indicate that the bad humor resulting from this primary was the cause of much of the stay-at-home and knifing among the Democrats on the 5th. In this primary, however, Mr. Price was Chairman of McCreary's campaign in Boyle, and in his Democratic loyalty must have shown a spirit this year that was attractive and animating.

It is a pleasure to note the lack of acrimony or charges of fraud and corruption, when a contest is over in the county of Boyle. Mr. Price and his loyal fellow-workers conduct their campaigns with the fierceness and aggressiveness of a Forrest charge, but open and clean. In addition to other qualities for which Mr. Price is held in esteem in Garrard, his neighboring political organization and friends give him recognition as a tactful political leader of the character, that makes for better things in Kentucky.

The ladies of the Methodist church will have an apron sale in Thompson's store on Dec 14th. Your patronage will be appreciated.

Hon John Sam Owsley has been appointed county judge of Lincoln county, to fill a vacancy caused by death of Judge Warren. Mr Owsley is an exceedingly popular man and his appointment is a satisfactory one.

#### When in Danville.

Those of our people who have had the pleasure of dining at Lillard's excellent cafe in Danville are more than delighted with the splendid service and fare. You can get anything you want, and at very reasonable prices. The cafe adjoins his drug store opposite the Glicher. The establishment is one of the greatest improvements the town has had.

#### Serious Football Accident.

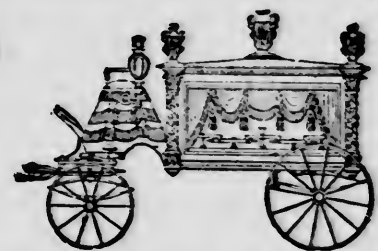

In the game of football, between Richmond and Lancaster, on Graded School grounds Friday, a serious accident occurred, which came near causing the death of Virgil Conn, of this city. In the play, he collided with a young man on the Richmond team, his head striking with such force that it was thought for several days his skull was fractured. He has been confined to his bed since, and today is reported better. Mr Conn is a good player and a fine young fellow who is highly thought of by all who know him.

## FOLEY'S HONEY and TAR CURES Coughs and Colds PREVENTS Pneumonia and Consumption

Foley's Honey and Tar not only stops the cough, but heals and strengthens the lungs and prevents serious results from a cold.

There is no danger of Pneumonia, Consumption or other serious lung trouble if Foley's Honey and Tar is taken, as it will cure the most stubborn coughs—the dangerous kind that settles on the lungs and may develop into pneumonia over night.

If you have a cough or cold do not risk Pneumonia when Foley's Honey and Tar will cure you quickly and strengthen your lungs.

Remember the name—Foley's Honey and Tar—and refuse any substitute offered. Do not take chances with some unknown preparation that costs you the same when you can get Foley's Honey and Tar, that costs you no more and is safe and certain in results. Contains no opiates.

Cured After Physicians Said He Had Consumption.

E. H. Jones, Pastor M. E. Church, Grove, Md., writes: "About seven or eight years ago I had a very severe cold which physicians said was very near pneumonia, and which they afterwards pronounced consumption. Through a friend I was induced to try a sample of Foley's Honey and Tar, which gave me so much relief that I bought some of the regular size. Two or three bottles cured me of what the physicians called consumption, and I have never had any trouble with my throat or lungs since that time."

Three sizes—25c, 50c, \$1.00. The 50 cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much.

SOLD AND RECOMMENDED BY C. C. & J. E. Stormes.

## CENTRAL RECORD

ISSUED WEEKLY. \$100 A YEAR.  
LOUIS LANDRAW, Edr.-Pubr.

Entered at the Post Office at Lancaster, Ky., as Second-Class Mail Matter.

Member Ky. Press Association.

Lancaster, Ky., November 15, 1907.

### The Logical Man.

Now that the state election is past, attention is being turned to the selection of candidates for offices to be filled in the near future. Among these is that of Democratic candidate for State Senator from this district. While The Central Record takes no hand in politics, yet we do keep a weather eye on men and matters in the political field, and try to keep posted.

It seems to us that if the Democrats want a man whom they know will win, and one who will command the respect and confidence of members of both parties, that man is none other than Hon. Reed Embury, of Boyle. We understand it is Boyle's turn to have the nomination, and this being the case, it seems that the Democratic leaders should insist on Mr. Embury making the race. There is no brighter man in the district, nor do we know of one who would fill the office with more dignity and satisfaction. A brilliant man, an eloquent speaker and a gentleman of the highest honor and integrity. Reed Embury would serve the people in such a manner as would call forth the praise of even the most bitter partisans of his opposing party. He has worked faithfully for the interests of his party, and as editor of the Danville Advocate has written many articles of untold help for the ticket. We trust the Democrats will consider the matter and give our brother editor the honor he so richly deserves.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babies. The whole some green leaves and tender stems of a lung healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub, which the doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. E. E. McRoberts.

Lexington Gazette:—One of the latest comers into the field of art in this city, but by no means less known and capable, is Miss Bettie Anderson, of Lancaster, who recently came to this city to devote her time to art work. Miss Anderson, by her poster work on the advertisements of the big Halloween carnival, which is to be held Thursday night at the Coliseum skating rink, has sprung immediately into prominence and bids fair to become one of Lexington's favorite artists.

Miss Anderson's very unique posters show that she has paid great attention to detail. Her picture of both men and women in motion on skates are exquisitely done. The posters make a fitting advertisement for the occasion. Miss Anderson's taste is also being consulted to telling advantage in the decorations for the skating rink for Halloween festivities.

You are free from any divinity so long as you despise any humanity.

The finest Coffee Substitute ever made, has recently been produced by Dr Shoop, of Racine, Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute," says the doctor. "Health Coffee" is really the closest Coffee Imitation ever yet produced. Not a grain of real Coffee in it either. Health Coffee Imitation is made from pure toasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for Coffee. Gill Walker & Simpson.

ITCH IN THE SKIN NOT IN THE BLOOD.

People with Eczema, etc, Make Grievous Error by Taking Medicine Into the Stomach.

When your hand is scalded with hot water until it blisters and burns, you don't drink medicine to cure it. You apply a healing lotion to the injured skin.

Eczema, yscoriasis, salt rheum, bar o's itch and other such diseases of the skin cannot be cured by filling the stomach with medicine any more than you can cure a burn or drinking medicine. To cure these diseases you must apply the remedy on the part affected. The diseases named are caused by germs in the skin. Kill the germs and the disease goes away and the skin is left pure and white as nature intended it to be.

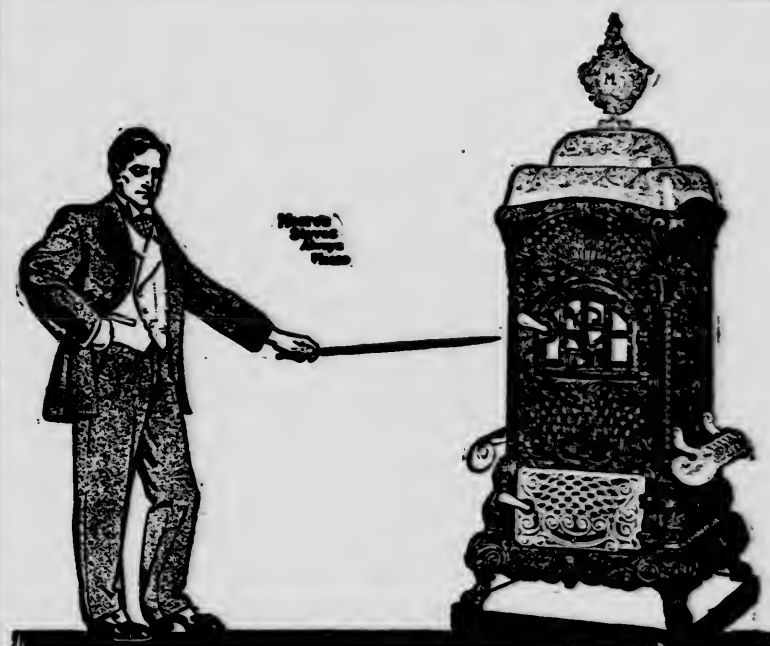

That mild, simple liquid, oil of wintergreen, properly compounded in D D D Prescription routs the germs and heals the skin so perfectly that you can never tell where the disease was.

"No tongue can tell nor pen portray what I suffered for ten years from Eczema," writes Mrs R B Latta of Garrison, Mo. "I was treated by the best doctors in the west, but received no benefit. Three bottles of D D D cured me sound and well. Six or eight months have passed and there is no sign of a return. My advice to all is, don't delay. Begin the use of D D D once and be cured."

We have carried D D D for a long time because we know it takes away the itch and we believe it to be an infallible remedy in the treatment of Eczema and other skin diseases.

Paint Lick, Ky., August 14th, 1906.

I have one of the Whitaker Automatic Gates that I have used for about seven months, it has not been out of repair in the least, and has not given me one moments trouble so far, and can't see how it will. I like it splendid.

**Wanted**

Representative in Lancaster and vicinity to look after renewals and increase subscription list of a prominent monthly magazine, on a salary and commission basis. Experience desirable, but not necessary. Good opportunity for right person. Address Publisher, Box 99, station O, New York.

**Stomach trouble is but a symptom of, and not itself a true disease. We think of dyspepsia, indigestion, flatulence, acid eructations, etc., as they are symptoms only of a certain specific cause.**

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomachic Shoop's Restorative. Going directly to the stomach nerves, alone brought that success and relief which have made it so famous throughout that original and highly vital principle, no other medicine could have been devised.

For stomach distress, biliousness, headache, breath and sleep complications, try Dr. Shoop's Stomachic Shoop's Restorative and see how well it sells what it can and will do. We sell and cheerfully recommend.

**Physical Breakdown.**  
 The strenuous life of modern times forces people to rush through their meals hastily, hurrying from the table in the mad rush after the mighty dollar.  
 The result is incomplete digestion, inflammation of the walls of the stomach, and lack of secretion of the gastric juices, ending in chronic stomach trouble and nervous breakdown.  
 How much better it would be to eat more slowly, cure the stomach trouble with Mi-o-na, and soon regain perfect health. The headaches, sleeplessness, nervous troubles, pain after eating, specks before the eyes, back-aches, melancholy and gloomy foreboding would be soon overcome and perfect health and strength would be restored.  
 Proper treatment of the weakened digestive system with Mi-o-na will cure every case of stomach trouble. The results of this treatment are so astonishing and so pronounced, that those who have tried it never fail to appreciate its value as a healing agent.  
 So reliable is Mi-o-na in curing all forms of stomach weakness and trouble that we give a signed guarantee that the remedy will cost nothing unless it cures. Each box of Mi-o-na sells for 50 cents, and is invaluable to anyone who suffers with indigestion, nervousness or weak stomach.  
**R. E. McRoberts, Druggist.**  
**DON'T DOSE THE STOMACH**  
**Cure Catarrh by Breathing Hyomei—**  
**Sold Under Guarantee.**  
 There is one treatment for nasal catarrh which is based upon common sense, and at the same time, is thoroughly scientific.  
 Hyomei is not a cure-all; it is specific for the cure of catarrhal troubles. Breathed through the nostrils, the catarrhal germ wherever present, the aromatic healing of Hyomei penetrates to the most remote part of the nose, throat, and lungs, healing all inflammation and killing the catarrhal germ wherever present.  
 So successful has Hyomei been in the cure of catarrh, that we sell it under a guarantee that it will cost nothing unless it gives satisfaction.  
 The complete Hyomei outfit sells for \$1., and consists of an inhaler that can be carried in the vest-pocket, a medicine dropper, and a bottle of Hyomei. The inhaler lasts a lifetime, and if more Hyomei is needed, extra bottles can be obtained for 50 cents.  
 It is the most economical of all remedies advertised for the cure of catarrh, and is the only one that treats this disease without stomach dosing, applying the medication and healing where the disease germs are present.  
 Do not dose the stomach to cure nasal catarrh; breathe Hyomei, knowing that if this treatment does not cure, it will cost you nothing.

Mrs. J. M. Dunlap, of Winchester, Ky., says: "For fifteen years I had sores on my face. They got worse all the time, until I was ashamed to go out on the street. When I had had to wear a veil. My face itched and burned so I thought I would go crazy.  
 "I had tried every remedy I could get hold of. I thought I never could get rid of it. One day a friend recommended your remedy. I had tried so many I did not care but thought one more would not make any more difference. The itching and burning stopped right away, and soon my face began to clear. *It was like magic* and I am now getting over and over. *But I persisted*, and now my face is all clear, like it was before I got the disease. I had to use a great many bottles but having my skin cured is worth ten times as much as I spent. I thank you and hope you all kinds of success."

We hereby certify that full particulars shown us regarding this case conclusively prove that every taint of this terrible disease was permanently cleared away by the wonderful D. D. D. Prescription.
